**SBM
FOR
CHILDREN**

ABOUT US

SBM Publishing House has operated on the Polish market for 15 years. It features in the top five of illustrated reference publishers. We publish photographic and illustrated non-fiction of high visual quality for adults and children, as well as diversely illustrated fiction for children.

There are **over 200 titles in our offer**, covering various fields, and our sales reach a million copies a year.

SBM focuses on informing, enriching, educating, and entertaining readers of all ages. Our professional combination of words and pictures brings clarity to a wide range of topics. We recommend sightseeing and thematic albums, lifestyle, gardening, and sports guides, culinary books, and atlases for hobbyists.

Our authors are eminent experts in their fields.

SBM's extensive toddlers and children's books list covers everything from fables, fairy tales, legends, and poetry collections, as well as encyclopedias and educational books. Our subjects vary from animals and pets, nature hobbies, family, jobs people do, life in the kindergarten, weather, naming emotions, numbers, to series of books that answer children's questions about how things work or tell them about lives and discoveries of famous people. We put knowledge into practice in our entertaining series of activity books.

We have two editorial offices: one by our Warsaw headquarters, and another in Bielsko-Biała. We have been awarded twice with a **prestigious Gazele Biznesu title**, a distinguishing mark of well-managed, honest, and financially sound companies, in 2015 and 2016.

Welcome to the **SBM's 2018** Catalogue

ENCYCLOPEDIAS

ENCYCLOPEDIA OF SPACE

A comprehensive compendium of knowledge about planets and their satellites, stars, comets, asteroids, and meteors. You will get to know all the planets of the Solar System, find out what the Milky Way is, and learn how to tell the constellations in the night sky.

Age: 6-9

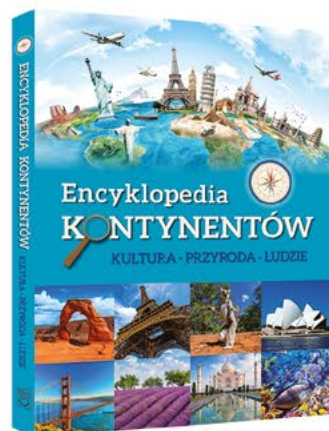

SPECIFICATION

128 pp

206 x 283 mm

hardcover

ENCYCLOPEDIA OF CONTINENTS. CULTURE, NATURE, PEOPLE

Each continent of the Earth is different – built differently, populated by different people, with different animals, and different plants. This very diversity and variety constitute the great story about the world and its history.

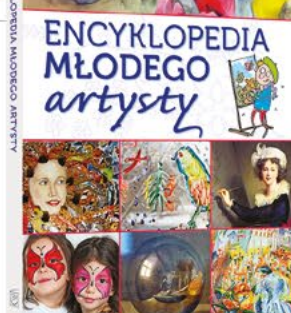

Age: 6-9

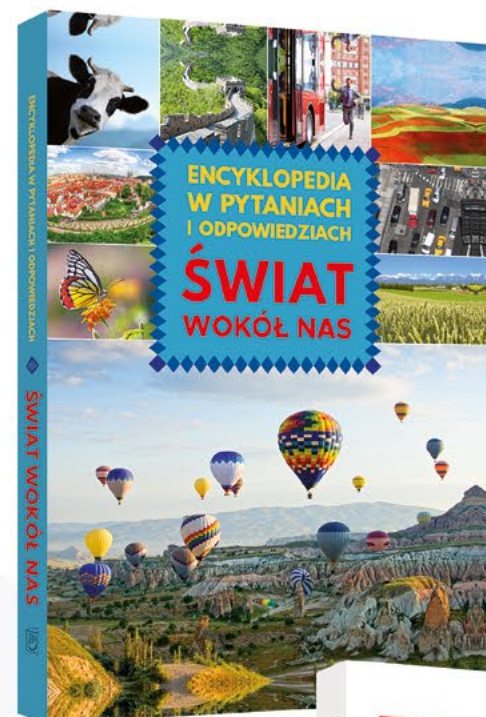

ENCYCLOPEDIA OF A YOUNG ARTIST

How to sculpt, paint, or draw? What hides behind words such as: embalage, fauvism, and dripping? Every young art enthusiast or a new artist will find answers to these and other questions in this book. Additionally, art trends described here can be a valuable inspiration for young artists.

Age: 5-8

Both encyclopedias invite children into the wonderful world of knowledge. These fascinating compendia have been prepared in **two forms** – a descriptive one, and another including questions and answers from various disciplines. We present basic knowledge about the Earth, human body, secrets of dinosaurs, animal and plant life, and the simplest scientific topics in an accessible way.

ZŁAMANIA

Złamanie jest to przerwanie ciągłości kości spowodowane najczęściej urazem mechanicznym. Złamanie rzadziej powstaje na skutek choroby.

Złamanie należy podejrzewać, gdy doszło do urazu, występuje ból, zmiana konturu kończyny i jej obrzęk, a poszkodowany nie jest w stanie wykonać kończyn naturalnych ruchów. Oczywiście złamanie, jeśli nie jest otwarte, może być potwierdzone dopiero w szpitalu. W takiej sytuacji zawsze jednak zakładaj, że jest to złamanie.

Złamanie może stwierdzić jedynie lekarz na podstawie przebiegu

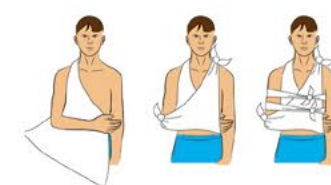

14

Jak postępować krok po kroku:

- wezwij pomoc, wybierając numer

112 lub 999

- ocen stan poszkodowanego według schematu ABCD
- A (airway) – drogi oddechowe (drożność)
- B (breathing) – oddychanie
- C (circulation) – puls
- D (disability) – czy jest zachowany kontakt poszkodowanego z otoczeniem (strona 51)
- przy złamaniach otwartych zawsze najpierw tamuj krwawienie.
- unieruchom kończynę – przy złamaniu na środku kości unieruchom tę część kończyny i z sąsiadującą ze złamaną kością staw. a w przypadku złamania blisko stawu – unieruchom ten staw i 2 tworzące go kości.

Sposób uwiązania ciasty trójkątnej w celu unieruchomienia złamanej kończyny

GREAT BOOK OF FAIRY TALES

This is a collection of timeless, classic stories by the most famous authors: Hans Christian Andersen, Charles Perrault, and brothers Grimm. You will find your favourite characters here, such as Sleeping Beauty, Puss in Boots, or Thumbelina. Classic fairy tales still move children's imagination and carry a universal message.

FAIRYTALE WORLD

In the Fairytale World anything can happen – an incredible hot air balloon trip to the seaside, ice skating in mid-summer, meeting a star that fell from the sky. Cloudy Children, Little Mermaid, Forest Evil, and Tree Hollow Dwellers will take you to a fantastic land where you will experience many incredible adventures together.

For children interested in faraway lands, who would like to learn about exotic countries and immerse themselves in their rich cultures. We introduce stories about **Sindbad the Sailor**, **Ali Baba**, and **Aladdin**, and in the second part **Iajkonik**, **basilisk**, and **Dratewka the Little Shoemaker**. Our books will tell the youngest readers many interesting stories.

FAIRY TALES

A collection of **interesting** stories about Michal, Ola, Bartek, and other kids from the "Happy Gnomes" kindergarten.

SPECIFICATION

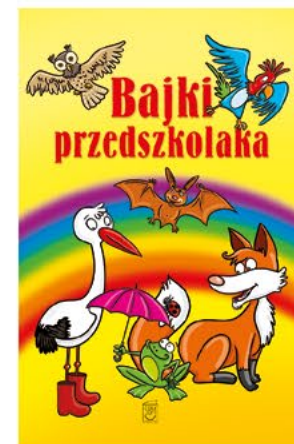

64 pp
165 x 240 mm

Little Franio is a keen footballer who spends his every free moment at the playing field and scores one goal after another. **Read about Franio and his friends**, become a top scorer and win a Golden Ball!

Kacper and the Pirates is a book about **adventures of a boy who enters the world of pirates with the help of a magical book!**

- ◇ Little Football Players
- ◇ Preschooler's Stories
- ◇ Stories for Children
- ◇ Stories about Ponies
- ◇ I Am a Preschooler
- ◇ A Few Stories about Eugeniuszek the Little Ghost
- ◇ Kacper and the Pirates

Age: 4-6

A collection of **short stories**
about animals.

Michałek Kowalski is a **brave preschooler** who everyday faces everything that happens to him with a big smile.

Eugeniuszek the Little Ghost lives in a small town, in an old house... and complains that he has no friends. But it will change sooner than you think. It is a collection of **warm, funny stories about friendship, understanding, and self-acceptance.**

Zosia, Michał, and Hania love to visit the stable. Every Saturday they practice horse-riding, and then they help their aunt and uncle to take care of the animals. **Read about the adventures of kids who love horses!**

Energicznie miał zły humor, więc na wszystkich się obraził. Powziął sobie na strych i uwiązł przed czaynym popękanym lustrem, przedrzeźniając domowników:

- Uważaj, żebyś się nie przeziębził.
- Pomyśl, na czym masz się najępiej.
- Medal dostałeś za czynienie dobra.
- Mram i miam! Jak ja mam ich wszystkich dość - wrzasnął, wciąż robiąc głupie miny.

A wtedy jakas mała szcena pomachała do niego z listu.

Zaczerwoneń duch, nie namiętając się wiele, wzniósł do listu.

Następnie wyrzucił z niego na swoim zły, zły odwrócony. I byli tam wszyscy domownicy, tylko jacyś inni, fajniak. Mama Małgusia nie zamierzała się. W ogóle nie zwracała na ich uwagę. Terazcie grać ze wstępy i nie dawać odzywać rad, tylko pisać przy to try. Dobra Wiktoria była aż i wciąż zwracała różniak nie-ciem. I nawet i jej maluch pęchali na wszystkich, a myślniki były tak grzeczne i szkodli, jakby to z ciem.

Eugeniusz i staruszek

Eugeniusz i starszusz

Eugeniusz przysiadł kiedyś na parkowej ławce, przyglądając się uważnie kilku starszuszkom. Ciężko im był chodzić, były pomarszczeni i nie mieli wszystkich zębów. Jeden z nich niedożył, jednak inny niedożył. Jednak mimo to dziadkowie grali w szachy, a babcie dziergały kolorowe, długachne szaliki.

Eugeniusz bał się starszych ludzi. Nie wiedział, o czym. Najchętniej więc uciekał przed nimi, nie kłaniając się nawet. Ale teraz był bardzo ciekaw, dlaczego są tacy radośni. Jak oni to robią? Duch odezwał, aż w parku został tylko jeden starszusz. Wziął głęboki oddech i...

– Dzień dobry panu
– skłonił się pięknie.

dzieci, jakby było
mamy Małgosi
zwykłe, że to page
i rodzinie i wychodzi

- ◇ Bedtime Stories
- ◇ Fairies' Stories
- ◇ Dinosaur Stories
- ◇ Princess Stories
- ◇ Puppy Stories
- ◇ Stories for a Son and Daughter
- ◇ Golden Duck and Other Polish Legends
- ◇ Polish Legends

Age: 2-4

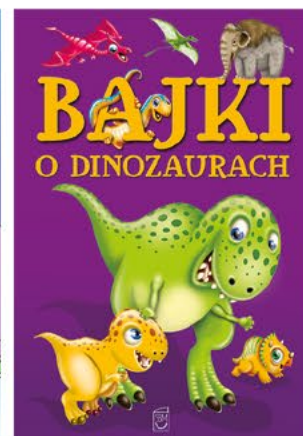

hardcover

It is a **collection of Polish legends in two versions: Polish and English**. You will find here beautifully illustrated legends about gingerbread cookies from Toruń, the little goats from Poznań, the Golden Duck, and many others. This book will introduce you to the best known Polish fairy tales and the legendary history of Poland.

A collection of short stories about children, animals, and objects. We invite readers to the land of imagination where a pen has interesting conversations with a pencil, a ladybird envies the sun its golden colour, water-nymphs live in flowers, and Ola and Michał build a great sand castle!

A collection of **short stories about children, animals, princesses, and fairies**. We invite readers to the land of imagination where chocolate trees grow, and a magic mirror shows the future. Beautiful colourful illustrations will certainly move every child's imagination.

Tales about dinosaurs and other prehistoric animals. Even though they lived a long, long time ago, they had the same problems as little children! Tyrannosaurus didn't want to eat meat, stegosaurus moved too much and always got into trouble, and little diplodocus was laughed at by his friends. **Funny and warm stories, accompanied by beautiful, colourful illustrations.**

Princess Zuzia is a girl just like you! She lives in a castle and wears a crown, but she goes to a kindergarten, has a favourite kitten, and many friends! Read about her adventures, the unusual and the very usual ones.

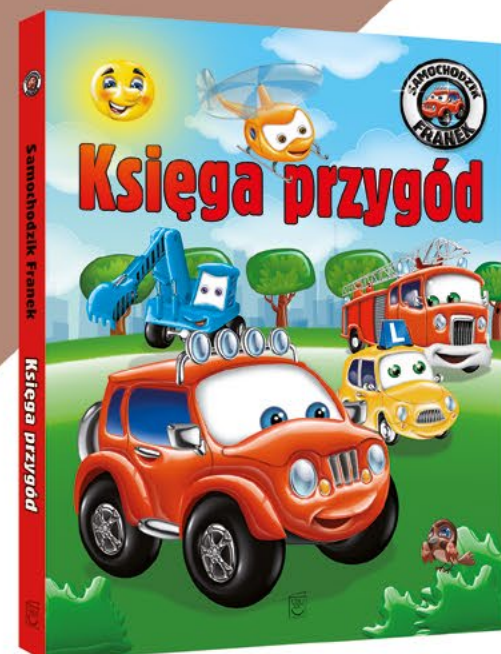

This is a collection of funny and warm stories about mischievous puppies. In the booklet you will find stories about Łatek, Ciapiek, Kudłatek, Bielunia, and their friends. Meet Kociński brothers, Kizia-Mizia, the Scarecrow, and Mr Mole. **Read the stories about happy puppies and their incredible adventures.**

EXPERIMENTS. FASCINATING EXPERIMENTS TO DO AT HOME

We often forget that physics accompanies all of us: every day, at every step we see its fascinating manifestations. The experiments included in this book, simple and easy to conduct at home, will help youngest readers understand the phenomena they see on a daily basis.

Age: 6-8

SPECIFICATION

80 pp
164 x 234 mm
paperback

PRESCHOOLER'S ALBUM

These are wonderful childhood keepsakes. Readers can create a memory book by inserting the child's photographs, keep the most beautiful moments, and complete the information on the child's progress. Inside you will find a place for photographs depicting walks, playtime, or first steps. You can also capture family or kindergarten events and the child's successes.

Age: 3-5
